This directory has been prepared as accurately as possible from the information received at General Conference in Denver.

If there are any errors, or at any time changes are to be made, please send them to the UFMCC Executive International Offices in Los Angeles, to the attention of Frank Zerilli.

Keeping this directory current is YOUR job. We cannot notify others of correct addresses if YOU do not notify us of your changes and additions. It is costly to publish this directory; therefore, we will be able to issue a new directory only once a year. We will attempt to issue correction sheets on occasions.

Thank you for your cooperation and patience.

INTRODUCTION

This is the first full issue of the International Directory of the Universal Fellowship of Metropolitan Community Churches. Items marked CONFIDENTIAL or CONF are restricted information

This information is NOT to be revealed to others.

There are some known omissions in this first issue, especially in the areas of spouses and anniversary dates. Please check all listings for completeness and accuracy. Send additions and corrections to the International Office: UFMCC, POB36277, Los Angeles, CA 90036. The next issue is expected to be after General Conference 1976 and all correcting information should be submitted by that time.

On September 1, 1976, the International Office will be moving to a new location consisting of a suite of offices adjacent to the Samaritan Theological Institute in downtown Los Angeles at 318 West 9th Street, Suite 623. Please note that all mail should be sent to the Post Office Box, NOT to the street address, since mail may be lost in the lobby of the building. When the move is made, the new phone number will be: (213) 680-2111

Your attention is again called to the earlier announcement that ALL UFMCC mail should be sent to the Post Office Box. The address on Hill Street is used ONLY for the MCC Los Angeles. Also, all funds and reports for the International Office should be sent to the POB. All communications with the District Office should be sent to the district, not the UFMCC POB.

TO: All Pastors & Worship Coordinators

Dear Brothers & Sisters:

This letter is to again bring you up to date on what is happening with the filming on our national television special. With so much publicity now being generated by our application to the National Council of Churches, I believe it is even more imperative that we finish our television special and have it aired before the May meeting of the Governing Board of that organization in 1983. In fact, we have just received correspondence from the National Council of Churches saying that they hope a documentary on our Fellowship can be done and that they are willing, through their Communications Department and television division, to put the pressure on NBC, ABC and CBS to see if one of them will air a special on our Fellowship.

We will complete all the shooting that is to be done in the U.S.A. by October 23 this year. Forward Focus Productions said that they will then take and put together the history of our Fellowship and will complete the entire show by the end of January, 1983. At that point the four-person committee appointed by the General Conference in Houston will fly to Vancouver and view the finished product and determine if the contract which we signed with Forward Focus Productions has been fulfilled.

One, our television special, entitled "God, Gays and the Gospel: This is our Story" still needs your help in helping us with the history of our Fellowship. I am requesting that each of our Pastors and Worship Coordinators appoint a media coordinator to work with Mr. Greg Cutts, who is coordinating the history of our Fellowship for Forward Focus Productions to help us fill in some of the blank spots in our history as it pertains to your Church. Please send the name of that person to Mr. Cutts at Fellowship headquarters immediately.

Two, we need at least some photographs (or, preferably slides--35mm Kodachrome) of Church buildings--places of worship showing M.C.C. signs or logo if possible. We also need photographs showing our congregations at worship or other Church functions, but please state what each photo is.

Three, we need any other photographs, slides, films or videos showing interesting points of Church history or your Church at work today.

Fourth, we need copies of articles written about your local Church (xerox copies are fine). We do not want this show to revolve just around the Los Angeles area. We need to represent the size, growth and diversity of the U.F.M.C.C. to the world. We need this information immediately. Again, please contact Mr. Greg Cutts. You may reach him through the Fellowship by writing to us or by phoning the Los Angeles office. We will return everything we receive from you unless you wish to contribute the material to us for Fellowship archives.

In Christ,

Rev. 

Reverend Troy D. Perry
